1. CHAIRMAN'S LETTER

ACN 009 253 187

19 September 2007

Dear Shareholder

NON-RENOUCEABLE RIGHTS ISSUE

In order to raise ongoing working capital to fund the continued exploration at the exciting Parkinson Dam Gold Silver Epithermal Project, and perhaps to acquire additional shares in Eden Energy Ltd (**Eden**) to increase Tasman's strategic shareholding in that exciting alternate energy company, the directors have decided to raise additional capital. To enable shareholders the opportunity to participate in this capital raising at current prices, which we consider to be low relative to many other companies in the sector considering the value of the projects that we have, the decision was taken to again undertake the capital raising by way of a non-renounceable rights issue. Each eligible shareholder will be entitled to one new share for every 10 shares currently held as at the Record Date (5 October 2007), and each share will have one free attaching 20c 31 December 2009 option. These options are identical to those which are currently quoted on the ASX (code TASO). The directors consider that the pricing of this offer is very attractive.

The drilling program, which is currently underway at Parkinson Dam to follow up the spectacular gold and silver results which were previously encountered in the last program (21 metres at 21 grams per tonne Au and 83 grams per tonne Ag), is targeting extensions of this high grade zone of mineralisation.

In addition, as you are possibly aware, Tasman is the largest shareholder in Eden and holds a strategic shareholding and option holding and the directors would like to at least maintain our holding at current levels. Eden has several major projects being 3 world class hydrogen projects, a coal bed methane farm-in agreement in south Wales, a significant natural gas target in South Australia and major geothermal targets in South Australia.

This rights issue is not underwritten, but the directors have all indicated that they intend to take up all of their entitlement under this issue.

Yours faithfully

A handwritten signature in black ink, appearing to read "Gregory H. Solomon", written in a cursive style.

Gregory H. Solomon

Chairman

This Offer is made on a non-renounceable basis such that Qualifying Shareholders may not sell or transfer all or any part of their Entitlement to the Shares and attaching Options.

2.6. NOT UNDERWRITTEN

The Offer is not being underwritten.

2.7. ENTITLEMENT

Only Qualifying Shareholders are eligible to participate in the Offer.

The number of Shares and attaching Options to which each Qualifying Shareholder is entitled is shown on the personalised Entitlement and Acceptance Form which accompanies this Offer Document.

In the calculation of Entitlements, fractions will be rounded up to the nearest whole number. Holdings in the same name are aggregated for calculation of Entitlements. If the Company considers that holdings have been split to take advantage of rounding, the Company reserves the right to aggregate holdings held by associated Shareholders for the purpose of calculating Entitlements.

The Company has determined, in accordance with the Corporations Act and Listing Rule 7.7, that it would be unreasonable to make the Offer to Foreign Shareholders having regard to the number of Foreign Shareholders in each country other than Australia and New Zealand, the number and value of the Shares (and attaching Options) which would be offered to them and the cost of complying with the legal requirements in other countries. Foreign Shareholders should contact the Company Secretary should they have any queries.

2.8. WHAT QUALIFYING SHAREHOLDERS MAY DO

Qualifying Shareholders who you wish to take up all or part of their Entitlement should complete the enclosed Entitlement and Acceptance Form in accordance with the instructions set out on the back of the form and deliver it, with the appropriate payment, by no later than 5.00 pm WST on the Closing Date, to:

Tasman Resources N.L.

c/- Advanced Share Registry Services

PO Box 1156, Nedlands WA 6909

OR

Tasman Resources N.L.

c/- Advanced Share Registry Services

110 Stirling Highway

Nedlands WA 6009

Cheques (drawn on and payable at any Australian bank) should be made payable to "Tasman Resources N.L. – Rights Issue" and crossed "Not Negotiable". Payment can also be made by money order. If Qualifying Shareholders apply for more Shares and attaching Options than their Entitlement, they will be deemed to have applied for their Entitlement and the payment tendered for the additional number of Shares and attaching Options will be refunded to Qualifying Shareholders, without interest.

Qualifying Shareholders who do not wish to take up any of their Entitlement do not need to take any action. If Qualifying Shareholders take no action, their Entitlement to the Shares and attaching Options will lapse at 5.00 pm on the Closing Date.

Shares and attaching Options will only be issued on receipt of an Entitlement and Acceptance Form which was issued together with this Offer Document. A completed and lodged Entitlement and Acceptance Form, together with payment for the number of Shares and attaching Options applied for, cannot be withdrawn and constitutes a binding application for the number of Shares and attaching Options specified in the Entitlement and Acceptance Form on the terms set out in this Offer Document. The Entitlement and Acceptance Form does not need to be signed to be binding.

An Entitlement and Acceptance Form which does not specify an Australian or New Zealand address for service (or which is accompanied by payment drawn on a foreign bank account) may be rejected and returned unless Shareholders provide evidence which satisfies the Company that the issue of the Shares and attaching Options will not contravene the laws of any other jurisdiction.

No brokerage or stamp duty is payable by Qualifying Shareholders on the issue of the Shares and attaching Options.

If an Entitlement and Acceptance Form is not completed correctly the Company can reject it or treat it as valid. The Company's decision as to whether to reject the Entitlement and Acceptance Form or treat it as valid and how to construe, amend or complete it is final.

2.9. CLOSING DATE

The Closing Date for the Issue is 5.00 pm WST on 2 November 2007. Subject to the Corporations Act and Listing Rules, the Directors may extend the Closing Date at any time prior to the Closing Date. The date the Shares and attaching Options are expected to commence trading on ASX may vary with any change to the Closing Date.

2.10. APPLICATION MONEY

Application money received for new Shares will be held in trust in a separate account by the Company until those Shares (and the Options attaching to those Shares) are issued. Any interest earned on application money will be applied against the costs of the Issue, with any balance being retained by the Company. If the Offer does not proceed (for whatever reason), the application moneys will be returned without interest.

2.11. ISSUE OF NEW SHARES AND ATTACHING OPTIONS

The new Shares and attaching Options will be issued, and holding statements for the new Shares and Options will be despatched, as soon as practicable after the Closing Date.

2.12. RANKING OF NEW SHARES AND OPTIONS

On issue, the new Shares and Options will rank equally with all other quoted Shares and quoted Options then on issue.

2.13. SHORTFALL

The Directors of the Company reserve the power of placement of any under subscriptions.

2.14. ASX QUOTATION

The Company will apply to ASX to have the Shares and Options to be issued under this Offer granted official quotation.

2.15. MINIMUM SUBSCRIPTION

There is no minimum subscription.

2.16. OVERSUBSCRIPTIONS

Oversubscriptions will not be accepted.

2.17. TERMS AND CONDITIONS OF NEW OPTIONS

The new Options will be issued on the same terms and conditions as the existing Options, as follows:

- Each Option may be exercised by the holder at any time prior to 5.00pm WST on 31 December 2009 (the **Time of Expiry**). Any Options not exercised before the Time of Expiry will automatically lapse.
- The Options may be exercised wholly or in part by completing a notice of exercise of Options in a form approved by the Company (a **Notice of Exercise**) and delivering it, together with the appropriate payment, to the Company's registered office at any time prior to the Time of Expiry.
- The Options entitle the holder to subscribe (in respect of each Option held) for one (1) Share at an exercise price per Option of \$0.20.
- Upon the exercise of the Options and receipt of all relevant documents and payment, Shares will be issued ranking equally with the then issued Shares, and the Company will apply to ASX to have the Shares so issued granted official quotation.
- Any Notice of Exercise received by Tasman prior to the Time of Expiry will be deemed to be a Notice of Exercise as at the last Business Day of the month in which it is received.
- There are no participating entitlements inherent in the Options to participate in new issues of capital, which may be offered to Shareholders during the currency of the Options. Prior to any new pro-rata issue of securities to Shareholders, holders of Options will be notified by the Company and will be

afforded ten (10) Business Days before the record date (as defined in the Listing Rules to determine entitlements to the issue), to exercise Options.

- In the event of any reconstruction (including consolidation, sub-division, reduction or return) of the issued capital of the Company prior to the Time of Expiry, the number of Options or the exercise price of the Options or both shall be reconstructed (as appropriate) in a manner which will not result in any benefits being conferred on holders of Options which are not being conferred on Shareholders and (subject to the provisions with respect to rounding of entitlements as sanctioned by the meeting of Shareholders approving the reconstruction of capital), in all respects, the terms for the exercise of Options shall remain unchanged. For these purposes, the rights of the Option holder may be changed from time to time to comply with the Listing Rules applying to a reorganisation of capital at the time of the reorganization.
- The Options may be transferred at any time prior to the Time of Expiry.
- Shares issued pursuant to the exercise of an Option will be issued not more than fourteen (14) days after the Notice of Exercise and payment is received by the Company.

2.18. FOREIGN SHAREHOLDERS

The Company is of the view that it is unreasonable to extend this Issue to Foreign Shareholders having regard to the number of Foreign Shareholders, the number of Shares (and attaching Options) that would be offered to them and the costs of complying with the legal requirements, and requirements of regulatory authorities, of the foreign jurisdictions.

Accordingly this Offer is not extended to, and no Shares or Options will be issued to, Foreign Shareholders and no Entitlement and Acceptance Form will be sent to Foreign Shareholders. However, in compliance with Listing Rule 7.7, the Company will send each Foreign Shareholder details of this Offer and advise them that the Company will not offer Shares or Options to them.

2.19. PRIVACY STATEMENT

By returning an Entitlement and Acceptance Form, you acknowledge that you have received and read this Offer Document.

As Qualifying Shareholders are already Shareholders of the Company, the Company and its share registry (Advanced Share Registry) have already collected certain personal information from Qualifying Shareholders. However, if Qualifying Shareholders apply for Shares and attaching Options pursuant to this Offer Document, they will be supplying new, additional or updated personal information (by its inclusion on the Entitlement and Acceptance Form) to Advanced Share Registry.

The information included on the Entitlement and Acceptance Form is used for the purposes of processing the Entitlement and Acceptance Form and to administer the Qualifying Shareholder's holdings of Shares and Options. By submitting an Entitlement and Acceptance Form, Qualifying Shareholders agree that the Company may use the information provided by Qualifying Shareholders on the Entitlement and Acceptance Form for the purposes set out in this privacy statement and may disclose it for those purposes to the Company's share registry and to the Company's related bodies corporate, agents and contractors and third party service providers, including mailing houses, professional advisers (e.g. auditors, lawyers and accountants), intellectual technology support providers and to other regulatory authorities.

The Corporations Act requires the Company to include information about each Shareholder and optionholder (including name, address and details of the Shares and Options held) in its public register. The information contained in the Company's public register must remain there even if that person ceases to be a Shareholder and/or optionholder. Information contained in the Company's register is also used to facilitate payments and corporate communications (including the Company's financial results, annual reports and other information that the Company wishes to communicate to its Shareholders and optionholders) and compliance by the Company with legal and regulatory requirements.

Under the *Privacy Act 1988 (Cth)*, Shareholders and optionholders have a right to gain access to personal information that the Company holds about that person, subject to certain exemptions under law. A fee may be charged for access. Access requests must be made in writing to the Company's registered office.

If Qualifying Shareholders do not provide the information required on the Entitlement and Acceptance Form, the Company may not be able to accept or process their Entitlement and Acceptance Form.

2.20. RISKS

Investing in new Shares and/or Options in the Company involves some risk. There are a number of factors, both specific to the Company and of a general nature, which may affect the future operating and financial performance of the Company and the value of an investment with the Company. Risks specific to the Company include the success of its exploration and development of the tenements of the Company, its title to, and conditions imposed on the grant of, the tenements, commodity price volatility and exchange rate fluctuations, native title rights of Aboriginal Australians, environmental protection and contamination, and the Company's working capital requirements. Risks of a general nature include the domestic and international factors affecting market conditions in equity, financial and commodity markets, economic conditions, interest rates, levels of tax, taxation law and accounting practice, governmental legislation or intervention, inflation, natural disasters or war. Some of these factors can be mitigated by appropriate commercial action. However, many are outside the control of the Company, are dependent on the policies adopted and approaches taken by regulatory authorities, or cannot otherwise be mitigated. If you are unsure about subscribing for new Shares and attaching Options in the Company, you should first seek advice from your stockbroker, accountant, financial or other professional adviser.

The new Shares and attaching Options offered under this Offer Document carry no guarantee in respect of profitability, dividends, return of capital or the price at which they may trade on ASX. The past performance of the Company should not necessarily be considered a guide to the future performance of the Company.

As with any equity investment, substantial fluctuations in the value of your investment may occur. This Offer Document does not set out all the risks you may face in applying for, and holding, additional Shares and Options in the Company.

2.21. EXPENSES OF THE ISSUE

The total expenses of the Offer are estimated to be \$20,000.00 (exclusive of any GST) comprising legal fees, printing and share registry costs and ASX quotation fees.

2.22. TAXATION

It is the responsibility of all Qualifying Shareholders to satisfy themselves of the particular taxation treatment that applies to them by consulting their own professional tax advisers before investing in the Shares and attaching Options. Taxation consequences will depend on particular circumstances. Neither the Company nor any of its officers accept any liability or responsibility in respect of the taxation consequences of the matters referred to above or any other taxation consequences connected with an investment in the Shares or Options of the Company.
